Dear Parents,

As we plan for the year to come, we'll be reinstituting volunteers in the Health Office two days per week. This is a great opportunity to be of service to our students, perform corporal works of mercy, and check in on your own student. Bernadette Larson is our health aid who will continue staffing the office three days per week. We hope to develop a pool of volunteers who will each serve in the health office 1-2 days per month (flexible scheduling). We will provide training during teacher workshop week that will include first aid and CPR certification. If you are interested in joining this pool of volunteers, please email Bernadette at blarson@stchbs.org.

Our own staff member Sue Warner has been named Chaplain of the 7555 VFW Chapter. We're proud to have a veteran on staff, especially one who is a spiritual leader among her peers. Go Sue!

Next week we have JA in a Day on Thursday, May 26th. Our elementary students will spend the morning learning how to start their own business with support from volunteers from Ernst & Young. This program is a great tool for sparking entrepreneurial thinking.

Later that Thursday we look forward to our final night of student entertainment for the 2015-16 school year. I hope to see you at the Band and Choir Concert in the St. Charles auditorium, also known as the cafeteria.

God bless you,
Danny Kieffer

Campbell's Labels For Education Program Ending This Year

The St. Charles Home and School Council has learned that Campbell's will be ending their Labels for Education Program after this year, which is very unfortunate. They will still be accepting submissions through July 31, so we will continue to send in as many as we can gather WITH YOUR HELP! **Also, there are BONUS POINTS to be earned for any labels that we mail in May.** We ask that everyone bring in all the Campbell's Soup labels that they have been collecting as soon as possible so that we can mail them in May. They can be dropped off at the collection site near the school Lost and Found or the church Atrium coatroom. There are many participating products besides the soup labels: be sure to look for the UPC's on Pace, Pepperidge Farm, Swanson, and V8 products, among others. Thanks to all for supporting this worthwhile program!

Lost and Found

Lost and Found is overflowing. Look through the lost and found before all unclaimed items are donated at the end of the school year.

A Request from the School Library

There are times when a library book unexpectedly leaves the library without going through the usual computer check out. In cases like this, your child might still have a school library book at home but would not receive the typical overdue reminders. As we approach the end of the year, I would appreciate it if you send back any books with the library bar code in case it is one of those books that left the library without being tracked on the computer. Thank you very much.

Consider Hosting an Exchange Student from Guatemala
