

Needed by Friday, May 17:

Bus Transportation Application (page 2)

St. Charles School uses cooperative busing with St. Anthony Village High School for our K-8 students. Transportation is free for families with children who are picked up and dropped off within the St. Anthony-New Brighton school district boundaries. For families outside of the district boundaries there is a \$150 per student fee to ride the bus for the 2018-19 school year. This fee is subject to change and will be communicated to you once we are informed of cost changes. **Please refer to the St. Anthony-New Brighton district boundaries link on the stchbschool.org website under Transportation Information.**

Bus Directives:

Upon completion of its morning route, each bus stops at St. Anthony Village High School and drops off the high school students. At this time, the St. Charles students get off the bus and transfer onto buses designated to take them to St. Charles. A St. Anthony High School staff member is always present to direct the St. Charles students to the correct bus.

Stops, and times, and extended boundaries for both morning and afternoon routes may vary from year-to-year depending upon St. Anthony-New Brighton school board approval.

For questions regarding bus transportation and district location, please contact Todd Niklaus at 612-706-1117 or email Todd at tniklaus@stanthony.k12.mn.us
