Dear St. Charles Parents,

Here is your first summer update about staffing for the fall. Our kindergarten class is currently at 40 students with a few prospects that may join over the summer. This is great news for St. Charles! We have 30 full-day students and 10 half-day students. Having a half-day class and full-day class is not an option with these numbers. As a result, we will have 2 full-day kindergarten rooms, each of them will have 5 half-day students who will depart at 11:45 just as half-day kindergarteners have done this year. Each classroom will have an aide in the morning. In the afternoon, there will be a shared aide since they will only have 15 students in each room. Mrs. Malone Miller has made the choice to become a full-day kindergarten teacher. This was a difficult decision for her because she loves teaching music to our K-4 students. Jane Malone-Miller has done amazing work teaching music and leading music for our K-4 concerts. We will certainly miss the **amazing** work she does in that role. We are currently looking for a new solution for K-4 music at St. Charles.

We are adding another 4th grade classroom! St. Charles welcomes Mrs. Austin Beyer as a new 4th grade teacher to work across the hall from Ms. Villella. Mrs. Beyer graduated from River Falls in 2012 with a degree in elementary education and a minor in French. She has taught for a total of 7 years including 1st grade at St. Bartholomew in Wayzata and most recently, 3rd grade at St. Mark's in St. Paul. Mrs. Beyer is known by her principals and colleagues as someone who is extremely committed to her faith and her students' learning. I would describe her as very calm, patient, creative, thoughtful, and positive. We have another great teacher on our team.

Look for more June updates from me!
God bless you,
Dannv Kieffer
