Question 1

Tell us about your path to education.

Answer:

In 5th grade at St. Charles, I had to write about what I wanted to do when I grew up. My answer? "Take care of children." I thought that meant thru other paths, but about 3 years after graduating with a BA in psychology, I began working alongside Mrs. Kenney in the Pre-K classroom. This is where I found my passion, working with preschool children and teaching. So now I am currently back in school obtaining my second BA, in Early Childhood Ed. I can't imagine myself doing anything else. I love teaching, I love my students, and I love our school. I thank God every day for the opportunity to teach at St. Charles and to help our littlest Chargers fall in love with learning and God!
