If you could retire anywhere in the world tomorrow, where would it be and why?

I would like to retire in the country. I'm a farm girl and would love to get back to a quieter, simpler life in retirement.

What fad during your lifetime did you never really understand or embrace?

I don't really understand ripped jeans. When I was a kid, it was a bad thing to have holes in your pants!

Who is the most fascinating person you have ever met?

Sister Suzanne Slominski, the former principal of Holy Family School in Sauk Centre. She was a wonderful principal and she still is! Sister Suzanne never forgot who I was, many years after leaving HFS. She was a great example and a delightful person.

What are the best and worst ice cream flavors in your opinion?

The best flavor is chocolate and the worst is black licorice.

If you could open your own small business, what would it be?

I would open a Dairy Queen. I always say that a town isn't a good town unless it has a Dairy Queen!
