If you were to bring someone back to your hometown, where would you bring them, and why?

I would bring them to the MN State Fair! I've been to the fair every year of my life and it's become a tradition! The food, people watching, concerts, food, random gadgets to buy... Can't beat it!

If you were a pizza topping, what would you be, and why?

Cheese. No question. It's warm, and it makes anything better!

If you had 3 wishes, what would they be?

- 1, More kindness, compassion & understanding among people.
2. My family to be healthy, happy and always thinking of others.
3. Consistently tolerable weather in Minnesota!!!

What is your favorite family tradition, and why?

I love anything involving Christmas traditions. Decorating the tree, going to the Nutcracker every year, all in anticipation of Jesus' birth. It's such a hopeful time.

What is your favorite season, and why?

Summer! I love the freedom of the late nights, cabin trips, BBQ's, fireworks, boat trips, picnics, Twins games, and time with family. I like the slower pace of summer :)
