What food did you hate as a child, but enjoy now?

Broccoli ! I wouldn't taste it if you tried, but now I'll even eat it fried ! I'll eat it on a bus, I'll eat it without fuss ! I'll eat it steamed or raw, I'll eat that broccoli all day long ~

What one song would you say best sums you up?

"If I Only Had a Brain" by Harry Connick Jr.

Who would play you in a movie of your life?

OK, I confess to having had to enlist the help of my niece for this one as I am not big on popular movies. She told me, hands down, and without hesitation, Reese Witherspoon [although now I'm curious & will have to research to see who she is !].

What three items would you take with you on a deserted island

Probably Mr. Flynn, water, and a Bible.

If you had to wear one color for the rest of your life, what would it be?

This one may surprise a few people, but....black !
