

Staff Spotlight -Mrs. Hrbacek-

Office Assistant

What is your favorite season and why?

I love all 4 seasons! Each season brings new things - Spring brings the flowers & green grass! We celebrate Easter & the Hope of Christ! Summer means vacation, swimming & more time with family. Fall brings sweatshirts/sweaters, back to school (yay!) and costumes for Halloween, Winter is full of snow & holiday plans - Thanksgiving and Christmas, celebrating our Lord's birth with family. I love the transition and expectation that comes with season!

Would you rather travel back in time or into the future? Why?

I would rather travel back in time to see my grandparents and parents as children and teenagers - that would be fascinating! As for the future I will stick to the saying "I don't know what the future holds, but I know Who holds the future." Thank you Lord!

What is your favorite meal to make?

I like to make tacos because it is one meal everyone in our family loves. It is a guaranteed winner, which is saying something in our family. :)

If you could live anywhere in the world for a year, where would it be? (and why?)

I would love to live on a tropical island with my family, my best friends and all of my kids' besties, so we could all play and lay on the beach all day, collect shells, swim, drink tropical drinks and relax together. Although after a year, I think I would really miss those changing of the seasons!!

What is your favorite thing about being a mom?

I love being witness to the beautiful change & growth I see in each of them from year to year. It is a privilege to live with such fun, smart, strong, faith-filled kids. God was very generous when He brought them to me! We breed Pudelpointers in our family, & I love watching my kids learn and help with the miracle of those new puppies as they are born and grow in our care.
