## **Favorite thing to bake?**

This is a hard one because I bake so much and so many different things. I would have to say baked asparagus, mushrooms, and tomatoes are my favorites. As for desserts, I really like to make chocolate molten lava cakes and oatmeal chocolate chip cookies.

## **Relaxing hobby?**

One of my relaxing hobbies is doing the word puzzles and the bronze level sudokus in the St. Paul Pioneer Press.

## **2021 vacation plans?**

My 2021 vacation plans are to go to my brother and sister in law's cabin with just my husband for a wonderful relaxing week this summer!

## **If you could start a charity, what would it be for?**

If I could start a charity, it would be for so that anyone who wanted to go to a Catholic school could go no matter what the cost.

## **What do you wish someone taught you a long time ago?**

The shortcut that I just recently learned to drive to school after 4 years working here!
