What is your favorite gym activity?

I'm a bit biased, but I love just about everything we do! A couple of favorites would be OMNIKIN Ball, Olympics, Dancing, & Floor Hockey!

Name one thing from your bucket list.

Bucket list item = Does "See the Vikings win a Super Bowl" count? Otherwise, drive through every state in the U.S. (maybe fly to Hawaii ;).

If you could turn anything into an Olympic sport, what would win a gold medal in?

I'd win a gold medal in shoelace tying and shoelace knot untying!

If you could share a meal with 4 people (past or present) who would they be?

Now that my kids are all grown up it would have to be all my kids at the same time (I would need 5 spots though, not 4).

If you had to work at an amusement park or a famous landmark for the rest of your life, which place would you choose?

Grand Canyon National Park (there's just something about how peaceful and majestic it is).
