

# Teacher Feature Staff Spotlight -Mr. Wagenbach-

Youth Director

## What do you like and your family like to do in your free time?

My family & I like to go on adventures. I have 4 boys & we love hiking, exploring, cross-country skiing, snowboarding, sledding, skateboarding, biking, looking for agates, and finding unique things wherever we go. We normally don't take the paths that everyone else does and we like to climb trees and jump from rock to rock! We also love playing games like Ticket to Ride, Catan, & Candyland. The best way to describe us is active in every season enjoying all God has given us!

## How did you start out in youth ministry & what do you like most about it?

I got started in youth ministry because I am a product of youth ministry. My youth minister in my hometown helped me to find and unlock my potential of being a saint. Ever since HS I have been trying to live out my faith & follow the Lord where he leads me. The thing I like the most about ministry is the chance to help people just like me when I was a "youth" find and unlock their own potential to radically change the world by becoming who God had created them to be! It is an honor and a gift to do this work!

## If you could hang out with any cartoon character, who would you choose and why?

I would hang out with Yosemite Sam and try to talk through some of his anger issues with Bugs Bunny and how stealing is a sin :). Also, I love how he mumbles to himself when he is mad. Rasafrasin...

## Would you rather be the funniest or smartest person in the room? Why?

I would like to be the funniest person in the world as I don't think I have much of a chance to be the smartest person. I love bringing joy to others and as they say, "laughter is the best medicine."

## What's the weirdest food you've ever eaten?

When I went to France we got Frog Legs. They were delicious, just not much meat on them but they tasted like chicken if you can believe it. Yes I would eat them again.
