**Favorite after

That is tough
... I love
photography
when the
weather is
good-- but I
also really
enjoy playing
video games.

Favorite holiday?

I love
Thanksgiving
because it is
all about
family for me. I
love hosting a
family meal
and being
together with
my family who
mean so much
to me.

**Funny teaching
moment?**

One year, in
the Spring,
when we
incubate and
hatch chicks,
the chicks
escaped from
their "home"
and ran
around the
classroom!
