Dear St. Charles Parents,

The second week of school has been challenging for our community. Some of our families are dealing with unanticipated quarantine time due to COVID and added stress in their lives. This year is not going to be easy, so I ask that we pray for one another and remember that although we may disagree about how things should be done, we do share a common goal and mission to make disciples of Jesus Christ, keep our school open, and keep our kids safe.

I am very behind on communication, and if you have emailed or called me in the past week and not heard back from me, I apologize. I've really had to put focus, energy, and time into gathering information for high stakes decisions. My responsiveness will improve. Also, the preparedness plan update slated for today will need one additional day. Thanks for your patience.

We will be moving the start of NWEA MAP testing to September 27th, and we will have all testing completed by October 8th. Parents Night is scheduled for September 23rd, and I'm considering how we will approach this evening this year. I will communicate with you about details early next week to let you know what the plan is.

Please continue to keep our school and community in your prayers.
God bless you!

Danny Kieffer
St. Charles Principal

This group is a group of people who make and deliver meals to the home of a person or family during their time of need. An online collaboration site is used to organize the meal calendar and preferences around what works for the person or family receiving the meals. Let us know if you have a short-term need (due to a birth, surgery, illness, etc.) to receive meals delivered to your home, or that you know someone who does, or **if you would like to become a part of the group who provides meals**, please contact Beth Pollard at 612-384-2384 or email: elizabethpollard@comcast.net.
