Week V		Mozzarella Burger	Food & Tradition Go Hand-in-Hand			
Hot Meal		WG Bakery Bun & Ketchup	<p>Lefse is a traditional Norwegian flatbread, which is a relatively easy recipe. If you can make mashed potatoes, you can also make Lefse! Lefse is a traditional dish, and when it comes to my family, we make it every holiday season. Thanksgiving, Christmas, no matter the occasion is, Lefse is made in our family. Lefse, however, wouldn't be complete without Grandma in Montana. Now a days 20 lbs is the limit, but I've heard stories of whole weekend adventures! One can only imagine how many pounds of potatoes that might need. We laugh, we sing, and drink mountains of tea and coffee! Gorging till we can no longer move, we feast off lefse for months to come as it also freezes great!</p> <p>Lefse can be served with fruit or used to make burritos and even tacos! Our family favorite, however, is butter with cinnamon and sugar! The best part about making lefse, though, is making a mess, the fun flour fights, and just being with friends and family. So from our family to yours, enjoy this easy to make, and ever so hard to quit eating tradition! Enjoy!</p>
