			My wife and I literally grew up in the same neighborhood. I love that my wife always asks my mom how to make my favorite recipes. My children and I have loved the tradition of family recipes! I continue to make this simple favorite meal to this day. It is one of my favorite 'Go-to' meals and I think it will remain a family tradition for my children and theirs. I love the stories I have gotten to share with my kids when making a family traditional recipe. It's best to spend time with your kids reminiscing about fond best food memories while making and teaching them how to make something so simple and full of tradition. - Dave
