Looking Ahead

SA. OCT 07 **ST. CHARLES SCHOOL MARATHON**

Dear St. Charles Parents,

We'll be starting our NWEA MAP testing next week; please have your children well-rested and in attendance (provided they are not ill). We appreciate your support with this.

Tomorrow, we'll begin the day with Mass, and we will have our videographer onsite to gather some footage during the school day for a new school video. We have a Marathon assembly at 2:00 PM led by our very own 8th graders. We'll be videoing some footage during the assembly, and we are planning some very cool all-school pieces for this video.

We're going to start giving away some of the smaller weekly Marathon prizes tomorrow since Marathon season is here. We'll have longer announcements during the day with a few jokes, prizes, and laughs to bring in the weekend. If you haven't started speaking to family members, friends, and neighbors about supporting our school by sponsoring one of your children, this is a great weekend to start. It is also a good time to select and nail down a service project if you have not done that. We recommend doing the project before Marathon Day but shortly after is fine too. These projects are great things to talk about when engaging donors. They usually want to know, "What will you be doing for this Marathon?"

It was great being with all of you at Parent Information Night last week. We rely on our parent support heavily and we really value connecting with you.

God bless you,
Danny Kieffer
St. Charles Principal
