

Viewing Your Student's Report Cards

How to view your student's report card(s).

Updated on July 30, 2025

When report cards are published by the school, you can view them directly from the parent portal.

1. Log into Educate. (<https://educate.tads.com/educate/>)
2. If you have the appropriate access privileges, you will be able to view the report card directly from the main page. (if you do not see the report card on the main page, please contact your school's administrator for assistance).

The screenshot displays the Treehouse Academy parent portal. The left-hand menu includes 'Dashboard', 'School', and 'Contact School'. The main content area is titled 'School Information' and features the Treehouse Academy logo, contact address (110 N 5th St, Minneapolis, MN 55403), website (https://www.educatesis.com), contact email (educate-support@communitybrands.com), contact phone (888-730-3256), and SMS phone number (1 (833) 666-0534). The right-hand sidebar shows 'Sixth Grade - Sixth Grade' with 'No scores posted', 'Attendance' for Mike showing '2022-2023 Year To Date Time Missed' (Sections Absent: 5, Sections Tardy: 2), and 'Current Report Card' for Mike showing a table with columns 'School Year', 'Grading Period', and 'Preview'.

School Year	Grading Period	Preview
2022-2023	Trimester 1	

Additionally, to access the report card, you can follow these steps: navigate to the "School" section in the left-hand menu, then select "Students>>academics,>>Report Cards, and finally click on "Preview."

Once you open the report card and review its contents, you can click on the 'Acknowledge' button located at the bottom of the page. By doing so, the school will receive confirmation that the report card has been viewed by the parent.
