National School Breakfast Week (March 2-6 2026)

National School Breakfast Week (NSBW), celebrated March 2-6, highlights the importance of the School Breakfast Program and encourages students to start their day with a nutritious meal. This year's theme, "The Quest for School Breakfast," invites schools to promote healthy habits through fun activities, posters, and social media resources. A balanced breakfast helps students stay focused, energized, and healthy while reducing the risk of obesity. NSBW also honors the dedicated food service professionals who make these meals possible, while reminding us that breakfast is the first step towards a successful day.
