

SERVICE PROJECT SUBMISSION

Together, our families can donate thousands of hours showing the community the impact of the Charger's spirit!

What to Do:

This can be a meaningful activity for students to participate in and gather Marathon pledges. Service project ideas: rake leaves, wash cars, gather clothes for donation, pack food for a food bank or pantry, write letters or visit the sick or elderly, volunteer at an animal shelter, clean your local park, etc. The opportunity to support our communities is endless!

How to Share:

Tell your fellow Chargers about how you made a difference!

- Please share your service project below and turn in this form to the school office as soon as your project is complete for an entry in a separate prize drawing for those students who participate in a service project!
- Last day to submit service projects is Friday, October 2nd

Show your spirit!

- Please email a photo of your work to Jennifer Van Buren at: jvanburen@stchbs.org
- Don't forget to wear your spirit wear to show your Charger Pride! Service project photos may be displayed on St. Charles School Facebook page.

Tell us about your Service Project: _____
