HOME & SCHOOL

2026-27 SCHOOL YEAR

Greetings Charger Families!

Welcome to the 2026-27 school year! We're excited for an awesome year! Home & School Council is a St. Charles parent/school organization. As a parent/guardian of a St. Charles student, you are already part of the Home & School Council. Our mission is to support the staff and to continue to grow programs that enrich our students' experience at St. Charles. The success of these programs depends on the generosity of our school community through your time and treasure. All students benefit!

Ways you can help!

1. Home & School Council is an all-volunteer organization, and we are always in need of new volunteers to help support and staff our programs. Please sign up on the school website under For Parents > Get Involved or scan the QR codes below. Virtus training is required and can be found on the website or call the office.
2. The enclosed donation envelope may be returned at Back to School Night on Thursday, August 27, or dropped off in the school office.
3. Home and School Council sends periodic newsletters of ongoing partnership opportunities. Please read these newsletters to learn how you can get involved and make a difference!
