

Drop Off and Pick Up Procedures

If you are dropping off your children in kindergarten - 8th grade by car:

Please drop your children off on 27th Avenue heading west (driving toward Stinson). Have them exit the passenger side of the car so they do not have to cross the street and then proceed toward Stinson promptly (no long goodbyes during drop off please)! **Please do not stop or park or drop off in the bus lane on Stinson**. Buses are long, and they need a lot of room to pull in and pull out. There are six buses that drop off our kids, and the next one will magically appear if you try to drop off in the bus lane. The area north of the bus zone (church side) is reserved for preschool drop off. Preschool parents may park there and walk their children to the door.

Kindergarten - 8th Grade Pick Up

Enter the pick up line by turning north on Roosevelt from 27th St., then turn left into the upper parish parking lot at Roosevelt and Pahl. From there, proceed through the parish lot and go down the ramp to the lower school lot. Proceed around to the right and pull up to the pick up line; there will be staff members directing traffic. Please arrange your vehicle so your child can enter on the passenger side. When you reach the pick up line, marked by cones, pull up as far as you are able, leaving ample room between you and the car in front of you. Once you reach a complete stop, your child may get in the car. Once your car door is closed, please move forward and exit the parking lot on Stinson or 27th St.

Please see the Preschool Program Handbook for drop off and pick up procedures (with or without older siblings)
