GO THE EXTRA MILE!
FAITH AND KNOWLEDGE FOR LIFE.**

**SATURDAY, OCTOBER 3RD

About the Marathon

The Marathon is one of our school's most important fundraisers of the year! Students may ask relatives, neighbors, friends and co-workers to sponsor them for participating in the Marathon and raise money for Catholic Education. Students also have the opportunity to complete service projects throughout the community and submit prayer intentions.

Each K-8 student has a goal of \$200 that will help reach the school goal of \$60,000. All donations go directly toward the school's operating budget, helping support the programs and opportunities that make our school special.
