TUITION GUIDE

A St. Charles education should be within reach for every family who wants it. Through the generosity of our donors, St. Charles awards need-based financial aid each year from the Gary Wilmer Scholarship and Sue McSherry Scholarship funds.

1 How Aid Is Awarded

We partner with TADS, an independent service, to review each family's financial situation fairly and confidentially. You share your information with TADS, not with school staff. TADS then provides the school with an assessment of need, which we use to award aid from our scholarship funds.

2 Start Your Aid Application

1. **Get Ready.** Download the 2026–27 Financial Aid Worksheet and use it to gather your information and documents before you begin.
2. **Go to the TADS Financial Aid application.** If you already have a TADS account, sign in. If not, click **Sign up** at the bottom of the login page to create one.
3. **Complete your application** online and upload your documents.
